

# SPONSORSHIP PACKAGE

FraserHacks 2027

# ABOUT FRASERHACKS

FraserHacks is a student-led hackathon taking place in **March 2027** at John Fraser Secondary School and is the **largest high school hackathon in the Peel Region**.

Following the success of our 2026 event, we are incredibly excited to bring this initiative back for the community!

Our mission is to inspire the next generation of **innovators**, **creators**, and **entrepreneurs** by demonstrating the endless opportunities available to them in the growing world of technology. During our **10-hour hacking period**, participants have the opportunity to meet with mentors and judges, network with fellow hackers, and create a project of their own with the help of our workshop and resources. FraserHacks is **completely free** and welcomes high school students of all skill levels from across the Peel Region, making technology more accessible to everyone.

# 2026 RESULTS

**100+**

attendees

**\$2500**

raised

**35k**

rate

# 2027 GOALS

With over **30,000** high school students in the Peel Region, your support can help us grow to...

**200+**

attendees

**5+**

schools

More **workshops** and **mentorship** opportunities

# WHY SPONSOR?

## Brand Visibility

- **Showcase your brand:** Feature your logo on event t-shirts, flyers, and lanyards distributed to all attendees, creating lasting impressions during and after the event.
- **Expand your reach:** Promote your organization through dedicated social media features, event announcements, and sponsor recognition shared with our student audience.

## Community Outreach

- **Engage with emerging talent:** Connect directly with students across the Peel Region to learn more about their career aspirations and perspectives.
- **Share industry expertise:** Give employees the opportunity to mentor and judge participants while helping students gain valuable insights from professionals in specific fields.

## Engagement

- **Shape the challenge:** Decide our hackathon prompt to exclusively align with your brand, allowing participants to innovate relevant solutions.
- **Highlight your impact:** Host interactive workshops to introduce your products, services, and innovations.

# SPONSORSHIP TIERS

Benefits may be negotiated for sponsorships between tiers. In-kind donations of equivalent value may receive corresponding sponsorship benefits.

| Benefits                               | Bronze<br>\$250 | Silver<br>\$500 | Gold<br>\$1000 | Platinum<br>\$2000 |
|----------------------------------------|-----------------|-----------------|----------------|--------------------|
| Dedicated Instagram promotional posts  | ✓               | ✓               | ✓              | ✓                  |
| Logo on FraserHacks website            | ✓               | ✓               | ✓              | ✓                  |
| Recognition during opening and closing | ✓               | ✓               | ✓              | ✓                  |
| Employee volunteer opportunities       | ✓               | ✓               | ✓              | ✓                  |
| Host a booth/workshop during the event |                 | ✓               | ✓              | ✓                  |
| Flyers/brochure handouts               |                 | ✓               | ✓              | ✓                  |
